

Waterford Harbour Sailing Club

Dunmore East
Co Water

9th March 2018

Dear ,

Message from the Commodore

We are at the beginning of a new season and we are delighted to see some light in the evenings...

Skippers are back in boat yards (and the occasional crew member) preparing their boats for the new season and so the club prepares to get organized for the 2018 season.

Last year we saw growth in membership, activities on the water and around the club house.

15 Optimists sailing on the last day in September proved that we can extend the season and these young sailors are the real future building blocks of our club.

We are hoping to build on this momentum in 2018 with an extension of the Try Sailing Series and this year will see the Dunmore East Regatta return to the harbour. All organizations in Dunmore East are working together to celebrate 200 years of the harbour in Dunmore East and the start of the Dunmore East- Milford Haven Mail service.

Our website's calendar is being populated and a new feature will be the sailing course Cool Cadets for young sailors after Sailing Buddies. All these courses are geared to give as much time on the water as possible.

Our membership fees remain unchanged for this season offering you the best value in sailing in the country. We hope that many of our last year associate members will join us this year as new members and that last year's members will join us as full members again.

I wish you all a great season with sunshine and fair winds.

With kind regards

Rene Wubben
