- If you have any queries please don't hesitate to call me at 086 1985720
- The early submission of application forms ensures the club can secure the necessary resources required to organise successful junior sailing courses.
- As there are limited places in every course, and limited club boats for hire, the sooner you return your fully completed forms and payment the better chance you have of securing a place in the course of your choice, and of hiring a boat if required - the courses and club boats are filled as each completed application together with payment is received.
- The Club reserves the right to cancel a course due to insufficient numbers, or any other reason. In the event that a course is cancelled by the club a full refund of course fees and boat hire paid will be given.
- Receipt of application does NOT GUARANTEE a place on a course. Places are allocated on a first come first served basis. The provision of each course is subject to demand and is at the discretion of the Junior Organiser and Commodore.
